We're calling this Bogey's Fantasy Golf Tourney 2007 (even though we have no affiliation with Bogey's other than hanging out there a lot)

The tourney will have three sections, with all players available once per section of this tourney. A Section winner is the team with the highest combined money total for all tournaments in the round. Overall winner is the team with highest combined money total for all tournaments for the year.

Entry fee is \$50 with \$10 to each section pool and \$20 to the overall pool.

Prizes will be awarded per section and overall. 1st - 60%, 2nd - 30%; 3rd - 10% (Example - 20 entrants, section pools = \$200, overall pool = \$400. Section 1st = \$120, 2nd = \$60, 3rd \$20 - Overall winners would be double those amounts)

Full entry fee must be paid before first tourney. Unlike many Fantasy Pools, picks are made the week before a particular tourney rather than all before the start of the season. Picks must be registered by 12:01 AM Wednesday before the tournament (March 14 for 1st tourney). Register by contacting 651-276-2504 or by posting a comment at <http://blog.huskermn.com/> or by contacting one of the tourney coordinators. If a pick isn't registered timely for a tournament, \$0 will be posted as winnings towards the total.

The lines on the sheets are for teams to keep track of their own progress. We'll try to get all player picks posted by Friday of each tournament at <http://blog.huskermn.com/>. Weekly, round and final results will also be posted there.
